

5 YEAR WARRANTY

MONSTALINER™ is guaranteed not to fade, chalk or discolor under normal exposure to sunlight (UV) for a period of 5 years. We also warranty the product against faulty manufacture and defective materials. Since the products use, application and surface preparation methods are beyond our control, we cannot accept liability for application or use of the product. Our sole responsibility under this guarantee in connection with the sale and use of this material, shall be the return of the purchase price of the material or optionally, replacement of the material, if proven defective. Neither labor costs nor any consequential damages are covered by this warranty.
